## THE CHINESE MAIL.

(Wah Tai Yat Po.)

THIS paper is now issued every day.  
The subscription is fixed at Five  
Dollars per annum delivered in Hong-  
kong, or Eleven Dollars Forty Cents in-  
cluding postage to Coast ports.

It is the first Chinese Newspaper ever  
issued under purely native direction. The  
chief support of the paper is of course  
derived from the native community  
amongst whom also are to be found the  
guarantors and securities necessary to  
place it on a business and legal footing.

The projects, being their estimates  
upon the most reliable information from  
the various Ports in China and Japan—  
from Australia, California, Singapore, Pen-  
ang, Saigon, and other places frequented by  
the Chinese, consider themselves justified  
in guaranteeing a large and ever-increasing  
circulation. The advantages offered to ad-  
vertisers are therefore mutually great, and  
the foreign community generally will find  
it to their interest to avail themselves of  
them.

The field open to a paper of this descrip-  
tion—conducted by native efforts, but  
progressive and anti-obstructive in tone—  
is almost entirely unexplored, and the  
commanding Chinese belief and interest,  
while on the other it deserves every aid  
that can be given to it by foreigners.  
Like English journals it contains Editorials,  
with Local, Shipping, and Commercial  
News and Advertisements.

Subscription orders for the above may be  
sent to  
GEO. MURRAY BAIN,  
China Mail Office.
